It's time for the long awaited night of Insomnia. This is a time of games and fellowship among other young men for the entire night. There will be sports tournaments, board games and of course videogames going on throughout the entire night.

If your youth would like to bring their games they are more than welcome to. We just ask that they be appropriate games. If your youth wants to bring a game system we ask that they also bring a TV. We will have a check-in table in the foyer so we can check all belongings and make sure they are labeled. All the belongings of others will be treated with the utmost respect. Adult chaperones will be present and participating throughout the night. We look forward to seeing your youth.
